III. Conditions and requirements

Y O U R Q U E S T I O N

„Research“ vs „Research & Innovation“ proposals?

- „Research“ proposal consists of research organisations
- „R&I“ proposal has industry involved
- This distinction is only meant for proposals in total
- It is independent of national funding possibilities (e.g. a funding organisation can only fund „Research“; still he can fund a partner who is part of a „R&I“ proposal)

III. Conditions and requirements

Proposal outline

- Pre-proposals consist of
 - Infos on partners (coordinator + partners)
 - Infos on project (duration, keywords, abstract, description of work, financial plan)
- All information is entered online to the submission platform
- The pre-proposal will be automatically created

It is not possible to change core information from pre- to full-proposal (e.g. partners, finances) unless asked by evaluators or funding agencies!

ERA-NET SUSFOOD2

Welcome...to the submission platform of the CO-FUNDED call for transnational research projects within the ERA-Net SUSFOOD2. Applications for funding within this call can only be submitted through this platform.

Proposals must be submitted electronically via the ERA-Net SUSFOOD2 online submission tool by **13th of March 2017 (15:00 CET)**.

If you want to register as a coordinator for a transnational research project, please read the **CALL ANNOUNCEMENT** thoroughly. It will ascertain that your planned project fits to the aim of this call. Please note that some topics may not be fundable by some funding organisations. Therefore, please take a close look on chapter 3 "Call topics" of the **CALL ANNOUNCEMENT** and on the national/regional regulations stated in Annex 3 of the same document. You can download the **CALL ANNOUNCEMENT** from this page in the left corner below!

Non-coordinating partners of a project will be invited by the respective coordinator to enter their profile data and get access to the automatically generated project fact sheet. For the invitation by the coordinator, the platform creates a password which is sent automatically by email to the partner and which allows access.

Funders get access to the platform by electronic invitation from the call office to do the eligibility check of proposals received from their country.

If you have questions or any technical problems with your login or the platform, please don't hesitate to contact the call office.

Welcome Coordinator

You are logged in as a coordinator! Please enter on the following pages the information about your proposal. If you are logged in without using the tool you will be logged out automatically after 24 minutes. In this case your last entered information will not get lost if you login once more by using the popup window which appears. Otherwise your last entered and not saved information will get lost!

After submitting your proposal you can re-enter and change it until the deadline. The older version of your proposal will be replaced by submitting a new one. Only the latest version will be saved within the database!

Please note for character number limitation of text fields: The character count of MS-WORD (or similar) cannot be translated directly into the character count of this HTML-based tool!

Proposals must be submitted electronically via the ERA-Net SUSFOOD2 online submission tool by **13th of March 2017 (15:00 CET)**. You, as the project coordinator, should make sure to register and submit the proposal on time, as a strict call deadline is applied. After this deadline, the submission tool is closed.

You will be able to submit your data once all required information is provided. Please, don't wait until "the last minute" for your submission!

We wish you success for your application!
